5" & 7" EZ Glide Surface Dust Guards

CONCRETE GRINDING

Type	Description / Features	Part Number	Size	Ea	5 / Box Ea Price
Grinding Cup - Coarse 	<ul style="list-style-type: none"> ▶ Supreme Grade - Coarse 16 Grit ▶ Fast, Aggressive Concrete Grinding ▶ Uniform Low Scratch Pattern with Coarse Open Pore Finish for applying Coatings & Sealants - allows Sealers and Coatings to impregnate and bond the surface 	FCD-45H	4.5" x 5/8-11 - 16 Grit	\$70.00	\$65.00
		FCD-05H	5" x 5/8-11 - 16 Grit	\$75.00	\$70.00
		FCD-07H	7" x 5/8-11 - 16 Grit	\$80.00	\$75.00
Segment, Double Row 	<ul style="list-style-type: none"> ▶ Longest Lasting Cup Wheel ▶ Smooth Grinding and Extra Long Life ▶ A+ for General Use on Concrete ▶ Medium Bond 40/50 Grit ▶ Smooth Uniform Finish 	CD-45H	4.5" x 5/8-11 - 40/50 Grit	\$55.00	\$50.00
		CD-05H	5" x 5/8-11 - 40/50 Grit	\$60.00	\$55.00
		CD-07H	7" x 5/8-11 - 40/50 Grit	\$65.00	\$60.00
L - Segment 	<ul style="list-style-type: none"> ▶ Fast, Aggressive Grinding ▶ Wide Open Fan Propellers - Absolute best cup wheel to use with Dust Control Systems ▶ Medium Bond, 30 Grit Size for a smooth finish with minimal swirl marks 	LS-45H	4.5" x 5/8-11 - 30 Grit	\$70.00	\$65.00
		LS-05H	5" x 5/8-11 - 30 Grit	\$75.00	\$70.00
		LS-07H	7" x 5/8-11 - 30 Grit	\$117.00	\$112.00
F - Segment 	<ul style="list-style-type: none"> ▶ F-SEGMENT: Fastest Most Aggressive Wheel for Concrete Grinding ▶ Specifically Effective on Hard Concrete ▶ Concrete, Terrazzo, Granite, Pre-Cast (5000 PSI) ▶ Standard 7/8" Arbor attaches directly to standard angle grinders 	FF-7NT18	7" x 7/8 - 5/8", 18 Grit	\$135.00	\$130.00

PCD Cup Wheels - COATINGS REMOVAL

- ▶ Polycrystalline Diamond (PCD) Cup Wheels - Designed for fast removal of epoxy, paint, glue, acrylics, mastics, adhesives, urethane, elastic coatings, etc.
- ▶ PCD Wheels will not load or melt the coating like a traditional diamond cup wheel which creates friction heat. Instead they *slice* beneath the coating.
- ▶ Although a PCD is more expensive than other types of removal tools, a PCD is the surest tool - for soft to extremely hard, thin or thick, adhesives or sealers
- ▶ Extremely fast removal of harder types of coatings, such as acrylic sealer - One (1) PCD Cup Wheel will outlast 3 cases (180 / case) of Abrasive ZEK Discs
- ▶ Expected Productivity: 16 Sq. Ft. Of Hard Acrylics Sealer is removed in 2 minutes (a diamond cup or Abrasive ZEK disc couldn't cut through the sealer)
- ▶ When you are not satisfied with your productivity during a coatings removal application . . . use a PCD.

PCD - Quarter Round 	<p>Large PCD Quarter Round Segments for Faster, More Aggressive Removal & XL Life</p> <ul style="list-style-type: none"> ▶ Longer wheel life than a PCD Chip Segment ▶ Leaves Uniform Swirl Marks 	PCDQ-4504H	4.5", 4 PCD Segments	\$170.00	\$165.00
		PCDQ-0506H	5", 6 PCD Segments	\$175.00	\$170.00
		PCDQ-0708H	7", 6 PCD Segments	\$180.00	\$175.00

CONCRETE GRINDING + COATINGS REMOVAL (3 Types)

Type	Description / Features	Part Number	Size, Grit, Segments	Each	5 / Box Ea Price
S - Segment 	<ul style="list-style-type: none"> ▶ Supreme Grade, Supreme Results ▶ Our Most Popular Cup Wheel ▶ 20 Grit: A+ for Coatings Removal + leaves open pores for sealing or coating ▶ Leaves a Smooth Uniform Finish ▶ Medium & Fine Grits provide a smoother uniform profile for the 1st Step in Polishing ▶ Extremely Fast & Long Lasting ▶ Reverse & Impeller Segments Reduces Strain & Improves Performance on Dust Control Systems ▶ Designed for uniform finishes on concrete floors, Coarse & Medium Grits makes this wheel A+ for Coatings Removal 	SG-05H-20	5" x 5/8-11 - 20 Grit	\$90.00	\$85.00
		SG-05H-40	5" x 5/8-11 - 40 Grit	\$90.00	\$85.00
		SG-05H-/80	5" x 5/8-11 - 60/80 Grit	\$90.00	\$85.00
		SG-05H-120	5" x 5/8-11 - 120/140 Grit	\$90.00	\$85.00
		SG-07H-20	7" x 5/8-11 - 20 Grit	\$110.00	\$105.00
		SG-07H-40	7" x 5/8-11 - 40 Grit	\$110.00	\$105.00
		SG-07H-80	7" x 5/8-11 - 60/80 Grit	\$110.00	\$105.00
		SG-07H-120	7" x 5/8-11 - 120/140 Grit	\$110.00	\$105.00

Arrow Segment 	<ul style="list-style-type: none"> ▶ Supreme Grade, Excellent Long Life. ▶ Aggressive arrow shaped segments for removal of Thick Coatings of Epoxy, Mastic, Urethane & other membrane materials. ▶ Featuring a high quality diamond content of 10mm segment height for longer wheel life ▶ Fast, Thick Coatings Removal + Grinding ▶ Medium 30 / 40 Grit 	A-45H	4.5" x 5/8-11, 6 Segment	\$65.00	\$60.00
		A-05H	5" x 5/8-11, 6 Segment	\$70.00	\$65.00
		A-07H	7" x 5/8-11, 10 Segment	\$130.00	\$125.00

Turbo Fan - Single Row 	<ul style="list-style-type: none"> ▶ Supreme Grade, Excellent Long Life ▶ Aggressive, Fast Concrete Grinding + Coatings Removal ▶ Coarse 25 Grit leaves a uniform finish ▶ Cuts through a variety of coatings, including glue, paint, sealers, etc. ▶ General purpose grinding and coating removal ▶ Coarse 30 Grit 	FCS-45H	4.5" x 5/8-11, 9 Segment	\$45.00	\$40.00
		FCS-05H	5" x 5/8-11, 10 Segment	\$50.00	\$45.00
		FCS-07H	7" x 5/8-11, 12 Segment	\$60.00	\$55.00

COATINGS REMOVAL + CONCRETE GRINDING

Rhombus Segment 	<ul style="list-style-type: none"> ▶ Scattered Diamond Segments ▶ Aggressive, Fast Coatings Removal + Concrete Grinding ▶ Exceptional for coatings removal then continuing to grind concrete ▶ Cuts through a variety of coatings, including glue, paint, sealers, etc. ▶ Coarse 30 Grit 	RS-05H	5" x 7/8" - 5/8"	\$75.00	\$70.00
		RS-07H	7" x 7/8 - 5/8"	\$120.00	\$115.00

Abrasive ZEK Disc 	<ul style="list-style-type: none"> ▶ Premium Silicon Carbide Grinding Wheel ▶ Multiple layers of abrasive grains cut through mastic, paint, coatings, sealers without melting the material or loading the disc ▶ Non-loading swirl pattern design with cooling vents for superior performance and long life lasting wheel - that "will not clog" 	AZ45W16	4.5", 8 Grit	\$33.25 / 5	\$760.00 180/Case
		AZ7W16	7", 8 Grit	\$47.95 / 5	\$445.00 80/Case
