

Replacement Filters & Accessories

Dust Director® Vacuums & Cyclones

Pre-Separators - 2 Models

Placed in front of the vacuum to collect 95% of the extracted debris. With the dust and debris separated and contained in the pre-separator, the vacuum's filters are free to operate without clogging. Collection yields, productivity, vacuum performance all increase when vacuuming larger volumes of powders. Pre-separators are highly recommended when your vacuum's filter's are prematurely blinding due to larger quantities of dust being extracted, these situation occur when grinding softer concretes, terrazzo or when grinding with coarse grit diamonds.

PS4000
\$1,300.00

Maxi-Bag Pre-Separator

- Keeps the vacuum's filters clean, easily doubles collection yields
- Tangential 2" Side Inlet with Telescopic Cart for easier transportation
- 70' long plastic bag can be separated into approximately 25 individual sealed bags for fast, safe handling and disposal of dust
- Dimensions / Weight: 23" x 25" x 48", 25 lbs.
- Includes: 2" x 25' HD Hose (Separator to grinder), 2" x 6' HD Hose (separator to vacuum), (2) 2" ID smooth vinyl hose cuffs, (2) inlet cuffs.

55 Gallon Drum Adaptor Pre-Separator

- Rugged Steel Construction with Cyclone Adaptor
- Same features as the above PS-19 Separator but for use on 55 gallon drums (easily doubles collection yields)
- Equipped with Cyclone Funnel
- 2" Inlet Port, cast aluminum. Dim. / Wght: 27" x 27" x 16", 40 lbs.
- Includes: 2" x 12' HD Hose (Separator to grinder), 2" x 4' HD Hose (separator to vacuum), (2) 2" ID smooth vinyl hose cuffs, (2) inlet cuffs.

PS-55
\$780.00

VACUUM CLEANER REPLACEMENT FILTERS & ACCESSORIES

VINYL HOSE CUFFS - Soft vinyl hose cuffs, thread onto 1-1/2", 2" and 3" diameter hoses; smooth end for tight friction fit onto dust ports.

A-3161-200	1-1/2" Threaded x 2" ID smooth	\$6.00
A-3157-A	1-1/2" Threaded x 1-1/2" Threaded	\$ 9.00
DC-380	2" Threaded x 2" ID Smooth	\$9.00
DC-360	2" Threaded x 2" Threaded	\$9.00

FLUTTER FILTER - Used instead of using Clean Extreme Filter Collection Bags. As soon as you turn on the vacuum cleaner the Flutter Filter begins to shake and flutter *naturally* using the spiraling turbulence inside the tank. Without using electronics or manual filter shaking, the constant self-fluttering action keeps dry powders from accumulating and clogging its surface.

16" Flutter Filter Insert Basket. High Efficiency. Includes Floating Cage. 16" Support Ring lays on top of the tank's opening. Fits Dust Director Vacuums: DC-3, AB-3, HP, Barrel Heads, PS-400 Power Stations #FF-400	\$ 120.00
12" - 14" Flutter Filter Insert Basket - High Efficiency. Includes Floating Cage. Filter's elastic band stretches over the outside the tank's opening. Fits Dust Director Vacuums: 1-Motor Vacuums & PS-300 Power Station #FF-300	\$ 120.00

CLEAN EXTREME FILTER COLLECTION BAGS - High Efficiency Filter Bag, fills completely in the vacuum tank - to its inlet port - without bursting, without clogging and without tearing while being handled during removal from the tank. A+ for collecting dry powders to damp debris.

HL500-25	Small 2-1/2" Collar - Fits 7 to 16 gallon wet/dry vacuums with a 2-1/2" inlet port. Fits Dust Director 1-Motor Vacuums.			
	Price Per Bag:	2 / Pk, \$13.85 / bag	20 / Box, \$11.55 / bag	50 / Case, \$10.00 / bag
FT501-25	Large 2-1/2" Collar - Fits 17 to 30 gallon wet/dry vacuums with a 2-1/2" inlet port. Fits Dust Director 2 & 3-Motor Vacuums and the 1-Motor 24 gallon HP model.			
	Price Per Bag:	2 / Pk, \$21.00 / bag	20 / Box, \$19.00 / bag	50 / Case, \$17.00 / bag
HL501-40	Large 2-1/2" Collar - Fits 17 to 30 gallon wet/dry vacuums with a 4" inlet port. High efficiency filter bag. Fits Dust Director Vacuums: AB2400.			
	Price Per Bag:	2 / Pk, \$22.00 / bag	20 / Box, \$19.00 / bag	50 / Case, \$17.00 / bag

SLURRY FILTER COLLECTION BAGS - Completely re-useable and washable. With the correct micron size debris is contained while filtered water flows through the filter bag for non-clogging, un-interruptive filtering and discharge operations.

SB24B	Blue Slurry Basket - Fits 24 gallon slurry vacuum tank (Slurry Vacuum Model, SV-2000). Stabilizes the SW24 White Slurry "Debris Collection Bag" \$88.00 ea.
SW24	White Slurry Collection Bag - High Efficiency Slurry Containment Filter Bag. Fits inside the Blue Slurry Basket . . \$88.00 ea.

CARTRIDGE FILTERS

T80122	HEPA Cartridge Filter, Non-Certified, rated @ 99.97% Efficient @ 0.3 Microns. This filter is included with each Dust Director Series Vacuum.	\$ 75.00
15933HK	Certified HEPA Cartridge Filter - 6", rated @ 99.97% Efficient @ 0.3 Microns. Manufactured and individually tested and certified with serial number to in EPA and OSHA HEPA standards. Fits all Dust Director Extractors.	\$ 120.00
I85	Clean Extreme HEPA Cartridge Filter - 8.5" x 4" (h), Non-Certified, rated 99.97% Efficient @ 0.3 Microns with Dust Release & Water Shredding PTFE Membrane. For both wet and dry applications. Exclusive non-stick surface increases filter applications, versatility and vacuum performance while significantly providing a longer lasting filter. Fits all Dust Director 2 & 3-Motor Vacuums and Cyclones.	\$ 85.00
15854	Clean Extreme Conical HEPA Cartridge Filter - 12", Non-Certified, rated 99.97% @ 0.3 Microns with Release & Water Shredding Membrane. Fits the Dust Director CJET Vacuums.	\$ 160.00

HOSES, NOZZLE KIT, 30" FLOOR SWEEP.

Y2H12	2" x 12' Hose - Lightweight, Flexible, Smooth Bore Interior - w/ Hose Cuffs (2" Hard Plastic for vacuum's 2" inlet port & (3) additional soft vinyl cuffs)	\$ 90.00
Y2H25	2" x 25' Hose - Lightweight, Flexible, Smooth Bore Interior - w/ Hose Cuffs (2" Hard Plastic for vacuum's 2" inlet port & (3) additional soft vinyl cuffs)	\$ 140.00
S79000	2 HD Nozzle Kit - For use with both 1-1/2" & 2" Hoses. Includes: 16" Floor Brush on wheels, 16" Squeegee on Wheels, Wands (s), Brush, Narrow Crevice Tool, Adaptor, Hose Cuffs (2).	\$ 110.00
T80185K	 <p>30" Front Mount Floor Sweep Assembly. Used for both dry powder and wet slurry pick-up. Installs onto 24 Gallon Tanks. Includes foot pedal for raising and lowering the front mount and to secure it in the lock-in upright position while transporting or when in storage.</p>	\$ 290.00
